# 11 Disassembly and Reassembly

---

This section of the service manual describes the disassembly and reassembly procedures for the LME17DS/LME19DS TFT-LCD monitors.

**⚠ WARNING:** This monitor contains electrostatically sensitive devices.  
Use caution when handling these components.

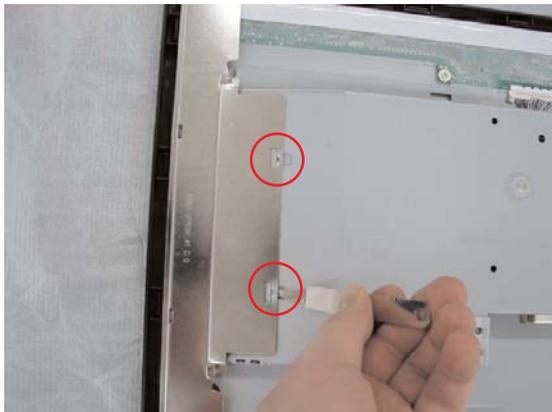

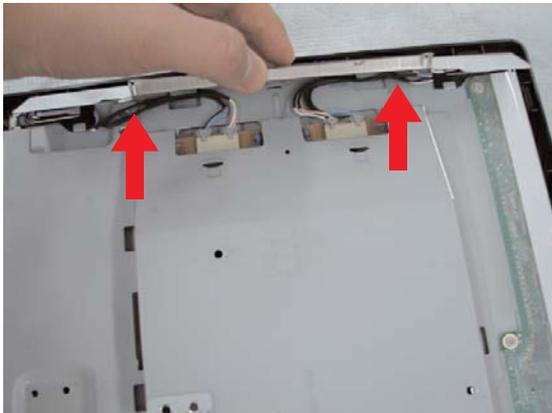

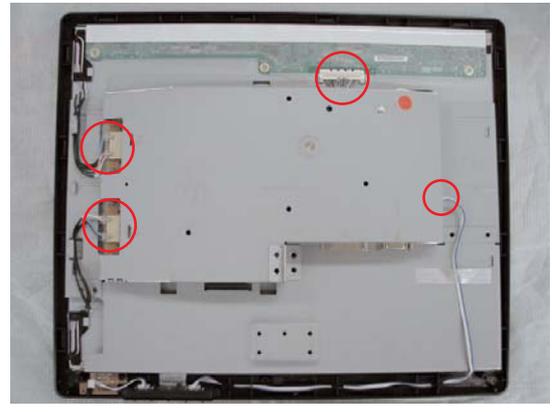

## 11-1 Disassembly

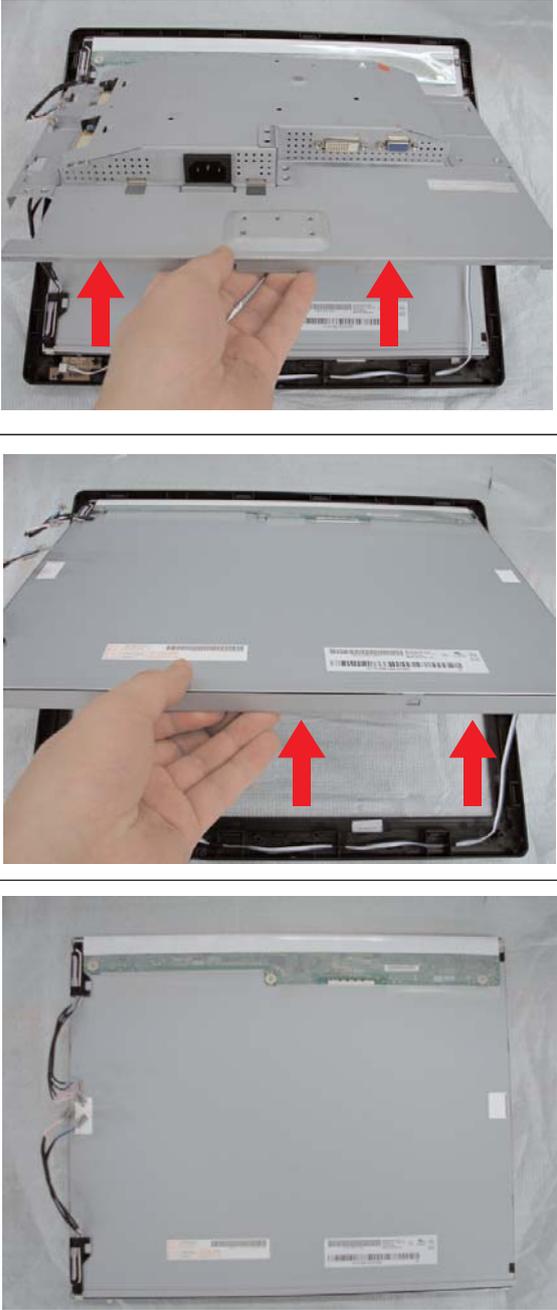

---

- ⚠ Cautions:**
- 1. Disassembly stand on the flat desk.
  - 2. Disconnect the monitor from the power source before disassembly.

Description	Picture Description
1. Place monitor face down on cushioned table.	

Description	Picture Description
<p>2. Remove 3 screws from the stand and Remove stand.</p>	 <p>The top photograph shows the back of a Samsung monitor with its stand attached. Three screws on the stand are circled in red. The bottom photograph shows the stand being pushed down, with two red arrows pointing downwards from the top of the stand to the bottom of the monitor's back panel.</p>
<p>3. Remove 3 screws from the stand and Lift up back cover.</p>	 <p>The top photograph shows the back of the Samsung monitor with the back cover removed. Three screws on the back cover are circled in red. The bottom photograph shows the back cover being lifted up, with two red arrows pointing upwards from the bottom of the back cover to the top of the monitor's back panel.</p>
